SOEB AFTAB

Civil Engineer | Construction and Site Supervision

Dhaka, Bangladesh | +880 1636 598428
engr.soebaftab@gmail.com | linkedin.com/in/mdsoebaftab

PROFESSIONAL SUMMARY

Civil engineer (B.Sc., University of Asia Pacific) with 21 months as a Junior Project Engineer on three PWD government building projects in Dhaka, including an operating hospital campus and a vertical extension of an existing building. Skilled in site supervision, drawing-based checks, BOQ checks, site records and coordination with contractors, suppliers and MEP teams.

CORE SKILLS

Site Work: site supervision, layout marking, surveying and measurement, progress tracking, site records
Civil Works: RCC work, shuttering and formwork, reinforcement checking, concrete casting monitoring, brick masonry
Quality and Compliance: drawing and specification checks, quality monitoring, BNBC Part 5 (materials), Part 7 (safety)
Quantity and Coordination: BOQ and quantity checks, material planning, cost control, contractor/MEP coordination
Software: AutoCAD (dimensioned plans), MS Excel (BOQ sheets, progress dashboard), MS Office, ETABS (academic level)

PROFESSIONAL EXPERIENCE

Junior Project Engineer (Civil) **Dec 2022 - Sep 2024**
M/S Bhuiyan Construction & Engineering, Dhaka | PWD government building projects

- Marked and verified **site layouts** and recorded **site measurements** on three PWD building projects in Dhaka.
- Inspected columns, openings and routes to confirm the **civil work** was ready before electrical installation.
- Checked work quantities against the sanctioned **BOQ**; assisted with **material planning** and **cost control**.
- Coordinated with **contractors, suppliers** and MEP/electrical teams to resolve site clashes.
- Tracked **progress** and kept **site records** and **handover documents** for PWD.
- Planned site activities around the **operating NINS hospital campus**; assisted with material sample approval.
- **Projects:** Bangladesh NGO Foundation Office (12 storeys, 2 basements); NINS Hospital Expansion (inside an operating hospital campus); DTE Building (**vertical extension of an existing building**).
- **Selected Project Portfolio (PDF):** drive.google.com/file/d/131if_K4-IV0kIRfRjqO5U9qgYmnYmdEW/view

Business Development Manager **Jan 2025 - Feb 2026**
Orbit Education, Dhaka

- Guided prospective students; handled **client onboarding** and kept records and follow-ups in a CRM.
- Carried out **market research**; coordinated schedules and paperwork with clients and partner teams.

ADDITIONAL SITE EXPERIENCE

Two-storey RCC duplex building, local project (4-decimal plot, about 1,742 sq ft) **Project period: Feb - Dec 2025**

- Checked **reinforcement** bar dimensions, spacing, lap length and concrete cover against **structural drawings** and project documents where applicable, with BNBC Parts 5 and 7 as reference.
- Project-based **site supervision** and construction quality monitoring across construction stages, including finishing; explained work instructions to labourers where appropriate.
- Monitored **RCC casting** and mixing; observed **shuttering and reinforcement work**; checked **brick masonry** and mortar mixing.

TECHNICAL PROJECTS

- **Pile cap design spreadsheet (B.Sc. thesis, Fall 2021, academic):** Excel design sheet for RC pile caps (AASHTO ASD method). Supervisor: Dr. Md. Abdur Rouf.
- **Rainfall vs site progress dashboard (MS Excel, sample data):** monthly rainfall against planned and actual progress.

EDUCATION

B.Sc. in Civil Engineering, University of Asia Pacific (UAP), Dhaka **2018 - 2022**
HSC, Sristy College of Tangail, 2017 (GPA 4.42/5.00) | SSC, Banail High School, 2015 (GPA 4.69/5.00)

CERTIFICATIONS AND MEMBERSHIP

- Associate Member, Institution of Engineers, Bangladesh (IEB), No. A25692, 2022
- Essentials of Data Visualization using MS Excel, UniAthena, December 2023
